

## **BEGINNERS COURSE: (FOR THE NON CERTIFIED)**

The following are some Scuba Diving packages on offer for your enjoyment:

### **PADI INTRO DIVING - (Taster Dive Course ½ DAY) – LM 12.00 - (GBP 20.00 – EUR 30.00 approx) (Max Depth 6m) – (All inclusive)**

We are introducing an exciting possibility for anyone keen to give scuba diving a try. No need to be certified. No experience necessary. This half day course guides you gently into this wonderful & safe sport.

Together with an experienced PADI Instructor you'll first discuss many different topics regarding Marine Diving Safety, Scuba Diving Equipment, Necessary Scuba Diving Skills (Theory & Practice), Marine Life Awareness & Conservation and Standards & Procedures of Scuba Diving & The Diving Environment. After this very interesting in-depth briefing an easy shallow scuba dive would follow.

Enjoy your holiday by Scuba Diving the many secrets that lie beneath these pristine waters. Discover what makes the Maltese archipelago so unique.

### **PADI OPEN WATER DIVER - (4 CONFINED SESSIONS & 4 OPEN WATER DIVES / MIN 4 DAYS) - LM 130 – (GBP 208.00 – EUR 312.00 approx) - (Max depth 18m) – (All inclusive)**

This is an exciting introduction into the wonderful world of scuba diving. The **PADI Open Water Course** could be conducted over a four day period.

During the duration of this course the students will be discussing & completing theory & practice sessions as well as open water dives. There is also a final assessment at the end of this course. Once the PADI Open Water course is successfully completed you will receive a PADI certification card which is valid for life & would enable you to scuba dive all over the world provided you keep up the sport & always dive with a buddy & or under the supervision of professional guidance. The duration of each open water dive is approx.45min.

### **EMERGENCY FIRST RESPONSE - (MIN. 2 HALF DAYS) – LM 30.00 – (GBP 48.00 – EUR 72.00 approx)**

This is a lecture room course where audio visual programmes in First Aid, life saving, etc. are shown, together with practical sessions.

**PADI ADVANCED OPEN WATER- (5 DIVES / MIN. 3 DAYS) – LM 75 – (GBP 120.00 – EUR 180.00 approx)  
(Max depth 30m) – (All Inclusive)**

This course is made up of **Five** Advanced dives, '**Three** Elective dives & **Two** Core dives'. At the start of the **PADI Advanced Course** the **Elective** dives chosen are carefully selected, discussed & safely planned with the student. The two **Core** dives in this course are the **Navigation Dive** & the **Deep Dive** & must be done. The **Elective** dives could include some of the following: **Boat** diving, **Night** diving, **Multi-level**, **Underwater Naturalist**, **Search & Recovery**, **Wreck** diving & more.

After the PADI Advanced Open Water course is successfully completed you will receive a PADI Advanced certification card which is valid for life. This certification level will enable you to hire or purchase all necessary equipment and recreationally dive, provided you always dive with a buddy, independently from an instructor or diving school. Also by completing your PADI Advanced course you'd have broadened your possibilities of diving nearly any available dive site as your depth limit of 18m (During the PADI Open Water Course) will now be 30m (PADI Advanced Open Water) The PADI Open Water Course & the PADI Advanced Open Water Course are the most popular diving courses in the world.

**COMBINED OPEN WATER + ADVANCED - (6/7 DAYS) – LM 190.00 – (GBP 305.00 – EUR 456.00 approx) (Max depth 30m) – (All Inclusive)**

This course is simply the combination of both the PADI Open Water Diver Course & the PADI Advanced Open Water Diver Course. Completing the Combined course would also save you LM 15.

**PADI RESCUE DIVER COURSE – (4 DAYS) – LM 110 – (GBP 176.00 - EUR 264.00 approx)**

This is a course designed to give advanced open water divers more confidence by way of open water & theory sessions in rescue skills, life saving techniques, accident management & accident avoidance. Emergency First Response Certification or equivalent is a prerequisite.

**PADI DIVE MASTER COURSE - (MIN. 10 DAYS) – LM 230 – (GBP 368.00 – EUR 552.00 approx)**

This is the first professional status within the PADI system. The course involves active participation alongside the instructors whilst training student divers in both theory & practice, assisting in Open Water dives & other coursework activities. Prior to certification the candidate will be assessed in watermanship & rescue skills & will be required to sit for a theory examination. Professional membership with PADI is extra. Many dive centres worldwide employ Dive Masters as Dive Guides

Besides the above PADI Courses we also run **Specialised Courses & More**.

**Price includes all necessary equipment, tuition, log book & road transport**
